The Commissioner B'lore Corporation vide A B P R 2664/53-54 of 27 10 53 forwards a copy of Resolution dated 14 10 53

It is seen from the Reports that the Govt of India have recently circularised that names of places should not be unnecessarily changed and such changes should only be made when there are compelling reasons for them The Corporation has been sending up proposals frequently to change the names of streets Even as the Corporation Act the Corporation only gives the power to name new streets, but not to change the existing names ~~made~~ of streets ~~and therefore out of the purview~~ The Corporation proposals require sanction of Govt Such prior approval of Govt is perhaps prescribed to operate as a restrictive factor

In the present case the Corporation has recommended to change the name of Senkenahalli Colony as "Kaneemanthe nagar"

The proposal is for orders
